SANSONE GROUP TO MANAGE AND LEASE FORMER ST. LOUIS RAMS TRAINING FACILITY

June 13, 2016
FOR IMMEDIATE RELEASE

The St. Louis Regional Convention and Sport Complex Authority has named Sansone group the Property Manager and Leasing Agent for the Former St. Louis Rams Training Facility. Sansone Group, will manage the property, handle all potential leasing opportunities and work with the STLRSA to find the best use of the property.

"We are excited to work with the St. Louis Regional Convention and Sport Complex Authority and to locate the user or users to maximize the potential for this unique facility" said Sansone Group Principal Jim Sansone.

The 300,000 square foot complex was vacated by the Rams when they moved to Los Angeles, but Sansone Group sees this vacancy as an opportunity, for the greater St. Louis region. Sansone will be developing ways to market this facility and bring partnerships together with the city for office space, potential sporting usage as well as a large-scale indoor/outdoor event space. Residing in Earth City at 1 Rams Way, Earth City, MO, the space is at the convergence of several city highways and close to the airport. This makes it a great destination location-wise.

Sansone Group looks forward to teaming up with the St. Louis Regional Convention and Sport Complex Authority, and are going to hit the ground running in maintaining the property and facility as well as finding potential businesses and organizations to utilize this multi-faceted location.

"At the Authority, we are very excited about the long-term potential for this facility to be a great asset to the community and a marvelous destination for its citizens." Said Chairman James F. Shrewsbury, "we are also delighted to be partnering with Sansone group on this initiative as we know their reputation for excellence, expertise and commitment to the St. Louis community"
