

The Face of
COMMERCIAL REAL ESTATE
Sansone Group

Sansone Group is celebrating its 60th anniversary as a major St. Louis-based commercial real estate company specializing in property management, brokerage, development and redevelopment of retail, industrial, office and multi-family properties. Founded in 1957 by Anthony F. Sansone Sr., the firm includes four of his sons as principals today.

Sansone Group's 250 professionals provide a wide range of services for each division. Their brokers have extensive experience in client representation, from relocation, leasing and purchasing to site selection. They offer national, regional and local clients comprehensive market analysis. The property management department oversees more than 11.5 million square feet including the full-service multi-family division, currently managing more than 6,000 residential units. Sansone Group has also developed over 7 million square feet of retail shopping centers, office and industrial buildings, multi-family properties, parking garages and freestanding structures, including 26 Walgreens stores.

Our legacy is built on helping create yours.
